He went out for cigarettes and ended up hooking up with a hot blonde

Mini Mart Muff

The sexy young thing wiggled and humped against my pounding strokes as I rammed my cock in and out of her grasping pussy. Her tits wobbled like jelly as her entire body quivered and quaked. I felt the come building in my nuts, knowing I would soon fill that cunt with my boiling seed. I tried to hang on; make it last.

It wasn't exactly what you would call a typical trip to my local 24-hour mini-mart. It all began with the night I woke up with a desperate need for a smoke. There were none in the house. I was trying to quit… again.

I'm sure my wife thought that I was crazy when I got out of bed and slipped my pants on over my PJs, and headed out for a pack of cigarettes at two in the morning. The rain was coming down in buckets. Only a crazy person—or someone hopelessly feeding a nicotine addiction—would have gone out on a night like that. But I went out anyway.

The store was deserted, except for a young girl sitting on a stool behind the counter. She looked to be about 20, with long, blonde hair. She was reading a magazine. Her hand was between her legs.

She ignored me as I wandered aimlessly around the store. I stopped at the magazine rack, figured I might be awake all night and might need something to read.

From my position in front of the magazine display, I could see behind the counter. The young lady chewed on her bottom lip, lost in her magazine. I managed to catch a glimpse of the cover. It was a Cosmo.

That's when I noticed that her hand was rocking slowly between her legs. Her nipples were hard. They pushed the front of her bright yellow top, and made tiny buttons to the point where they tried to break through the thin fabric.

She was masturbating. I felt my prick begin to rise. I must have squatted there for a good ten minutes, watching her hand move faster and faster as the magazine article she was reading got her more and more excited. I found myself hoping that she would come while I was watching. My prick thumped against my legs in rhythm with her busy hand.

Before she actually had an orgasm, she closed the book and stood up. She stretched and gave me a breathtaking view of her big boobs. She tried to tug the shorts

down over her big round ass, but there wasn't enough material.

She did a double take when she looked in my direction and spotted me squatting there. "Your book any good?" I asked. The question seemed to snap her out of her trance. She smiled and approached me. I stayed on my knees. My dick was so hard that it would have been

obvious if I had stood up.

"Yes," she answered. "It's my favorite. I never miss an issue. This one was really hot." She blushed at the frank admission. So did I. By that time, she was standing only about a foot from my face. I could see the outline of her pussy as the shorts clung to them.

She held the magazine out to me; I took it from her hand. She stood there looking over my shoulder while I flipped through the sexy magazine. The illustrations left little to the imagination. Most of the pictures were of men and women in various stages of undress. There was no actual fucking, but they came as close as you could get legally. It embarrassed me a little to have the girl watching while I looked at it.

"That was my favorite," she sighed as I stopped at a picture of a man, lying between the spread legs of a young woman, poised and ready to dive face first into her open wet pussy.

"I'll bet," I muttered as I stood. My prick pushed against the material of my pajamas. Her eyes were riveted on the front of my pants. My fly was open. And my stiff prick was in plain sight.

"I'm sorry," I choked, as I tried to stuff my erect prick back into my pants. "I'm not a flasher. I was in bed and needed some cigarettes," I tried to explain.

She stood there smiling at me until I stopped stammering. "Too bad... I haven't been flashed in a long time. I kinda miss it." She continued staring at the bulge in my pants and licking her soft red lips.

I was embarrassed and excited at the same time. My cock jumped under her constant stare. I was ready to come in my pants. The young girl was breathing heavily and her hands shook a little. Suddenly, a bell sounded as another customer walked in. "Don't go away," the girl whispered as her hand reached out and squeezed my throbbing cock. "I'm not through with you yet."

The other customer was a little old lady. She crept around the store, one agonizing tiny step at a time, until she had explored the entire operation. It seemed to my horny prick that she took hours; actually, it took less than ten minutes. Finally, she bought a quart of beer and some antacid. My new "friend" did everything in her power to speed that old lady along.

When the lady finally left, the young girl came back to where I stood, laughing like crazy. "That's her medicine. She drinks a quart of beer every night. Her husband doesn't know. The antacid is for him; he has terminal indigestion. She claims it's her cooking that gives it to him. She's a crazy old bird; I love her."

Even her laughter was sexy. I stood there with my prick still bulging, waiting to see what would happen next. "Where were we?" she whispered, as her eyes

traveled down my body to my still-open fly. "Oh, yeah," she purred. "You were going to flash me, weren't you?" she grinned, her eyes twinkling with mischief.

"You first," I grunted. She didn't hesitate. She immediately pulled the thin blouse over her ample bosom. Her tits stood tall, tan, and tantalizing. The nipples begged to be nibbled. She put her hands under the beautiful mounds and held them toward my mouth. I automatically leaned forward and took one of the soft inviting nipples into my mouth.

She really liked having her tits sucked. She began immediately breathing faster and gasping like crazy. I thought she might come just from the nipple nibbling. I felt her hands skillfully remove my cock from my open fly. She cupped the balls in one tiny soft hand while her other one stroked it, very gently.

The more she handled it, the hotter I got. Her fingers on my twitching cock were maddening. I wanted to shoot off all over her hand, but somehow managed to hold off. I wanted more. I wanted to feel my excited cock inside of her hot, wet pussy.

I guess she sensed how close I was, because she backed away and pulled her sweet tit from my mouth and knelt in front of me. She held my cock in both hands and began by planting tiny kisses, first up the shaft, and then around the swollen tip, and finally she even kissed my balls. The girl was making love to my dick.

She put her hands on my ass and mumbled, "I'm gonna suck you off!" She pulled me closer as she nuzzled my prick against her face. My cock leaked pre-cum into her open mouth. She lapped it up like candy. She moaned, but didn't speak. Before I realized what was happening, she pulled my pants and the elastic-topped pajamas to my knees. My prick popped out with a twang. It stood at attention while she appraised it.

"You missed your calling," she groaned, her mouth moving closer and closer to my hard dick. "You should have been a flasher." Her hot mouth closed over the swollen purple head. I was ready to come, but managed to hold on and make it last.

Before she had me halfway in her mouth, that damn bell rang again. This time it was a big sloppy trucker. My girl jumped up and got back behind her counter while I quickly covered my bare ass.

This customer wanted a bag of ice, and she went in the back to get it. He looked at me with a puzzled expression. I think he saw the pajama bottoms peeking above my pants. He probably thought I was some kind of weirdo. I wasn't yet, but I had plans: I was going to get sucked off in a mini-mart ... if my luck held.

My hot little honey soon returned with the ice. The trucker paid and left. He looked at me and shook his head as he walked out the door. "It isn't usually this busy," she said as she came back over to where I stood. "Brrr, it was cold in that freezer," she crossed her arms over her stiff-nippled breasts as she spoke.

I reached out and pulled up her top. "Want me to warm them up for you?" Her answer was to help me. She pulled her blouse over her head, and then pulled my face to her ice-cold bust. Her nipples were like tiny delicious popsicles. They warmed quickly under my tongue. She cupped them and pushed her chest toward me. I sucked each one in turn, as I savored her chilled

bosom. She wiggled and squirmed and held my head harder to her titty as I kissed, licked, and sucked the twin beauties.

In the meantime, she had my pants open and had her hand on my prick as it hung from the fly. Her magic hands were stoking my fire to a fever pitch. I pulled her body to mine and kissed her warm full mouth. Her tongue immediately began to explore my mouth. The hot slippery tongue made a fucking motion in and out of my mouth. My dick jumped in her hand as I realized that she wanted the same thing that I did. She wanted to fuck.

But first, I wanted to taste her sweet snatch. "I'm gonna eat you now," I gasped between warm, wet kisses. "I want my tongue in your hot pussy."

She went wild. She ground her hips against my prick and moaned, "Yes, yes. Eat me! Make me come!"

I willed the customers to stay away as I dropped to my knees and pulled her shorts and panties down in one motion. I left them at her ankles, just in case. With her standing, I couldn't get my tongue into her pulsing pussy as deep as I wanted but it didn't seem to matter.

The first time I touched her swollen clit, she grabbed my head and held me against her pussy while she ground her hips against my face and had an orgasm that made her knees shake. I made her come at least three more times before I pulled back. Her cunt was so hot that it was dripping with her hot juice. She cupped my face in her soft hands and licked her juice from my face. My cock rested against her still-naked stomach.

She took my hand and led me into the back room. It was a big stockroom, with a cement floor and boxes stacked all along the walls. She lay down on a sheet of cardboard in the middle of the floor and kicked the shorts from her ankles. She looked up at me, spread her legs, and held the lips of that delicious pussy open.

I let my pants fall and kicked off my pajamas, and fell between her open legs. My prick had a mind of its own. It knew what I wanted. I shoved it into her slippery cunt in one thrust. She gasped and locked her legs around my waist.

My hard dick filled her hot snatch and drove her wild. Before I even began pumping, she rotated her hips against my pole and came again. I felt ten feet tall. My ego was soaring. This beautiful hot blonde was already cumming—and I hadn't even fucked her.

She was barely finished with her first orgasm when she put her lips to my ear and whispered, "Make me come again. Fuck me hard." She began wildly pumping her hips up at my stiff rod. She was milking me. I couldn't hold on any longer. The cum gushed from my swollen balls and squirted into her clutching box. I felt like I could come for hours. She was like a wild animal: moaning, thrashing, humping, and screaming as I poured my load into her.

Just as my prick flopped from her sopping cunt, completely satisfied, the damn bell rang again. She jumped up and dressed in a flash.

I drove home in a daze. I actually forgot the cigarettes. It was an experience I'll never forget. You may think I'm foolish not to but my wife isn't stupid. Too many trips at two in the morning and I would have been divorced. Still, I'm sorry I never collected that blowjob!

SKIN DIAMOND

THE HIGH SOCIETY INTERVIEW

by Rob Perez

PORN VALLEY, CA—SKIN DIAMOND ISN'T YOUR EVERY DAY PORN STAR, SHE'S ONE OF THE MOST DYNAMIC PERFORMERS AROUND TODAY. HAVING WORKED FOR VIRTUALLY EVERY MAJOR STUDIO IN PORN VALLEY AND SECURING A PLETHORA OF EXCITING BOX COVERS FROM EACH OF THEM—INCLUDING HER OWN DVD SHOWCASE, ELEGANT ANGEL'S *SKIN*—MS. DIAMOND WAS RECENTLY NOMINATED FOR A TOTAL OF SEVEN AVN AWARDS AT LAST JANUARY'S AVN AWARDS SHOW, INCLUDING THE COVETED "PERFORMER OF THE YEAR" TITLE. IN ONLY HER SECOND YEAR IN THE BUSINESS, SKIN HAS QUICKLY GAINED ACCOLADES USUALLY RESERVED FOR VETERAN PERFORMERS, WHILE BRINGING OUT THE VERY BEST PERFORMANCES IN HER MALE AND FEMALE CO-STARS. LONG BEFORE SKIN ENTERED THE SKIN GAME, SHE HAD ALREADY ACCUMULATED A HUGE AMOUNT OF FOLLOWS FROM THE FETISH AND MODELING WORLD. BUT HAVING SEX ON CAMERA ULTIMATELY BECAME SKIN'S IMMORTAL CALLING AND IT IS BECAUSE OF HER THAT THE BAR HAS BEEN RAISED FOR PETITE, SMALL-BREASTED PERFORMERS EVERYWHERE. WHEN SKIN DIAMOND SETS FOOT ON A SET, SHE'S THERE TO FUCK AND FUCK HARD, JUST LIKE THE BIG GIRLS—JUST ASK THEM!

HIGH SOCIETY: *Of all the AVN nominations you received which one means most to you?*
SKIN DIAMOND: Probably the "Female Performer of the Year" nomination.

HS: *Whom do you credit for the amazing year you had?*
SD: Mark Spiegler. I have a very unusual look and I feel most agents wouldn't know what to do with me. He did.

HS: *Elegant Angel dedicated an entire DVD to you:* Skin. *How did it feel having your own starring vehicle?*
SD: It feels amazing for sure. I worked really hard, so it's really nice and cool to think they [Elegant Angel] would want to do a DVD that's all me. I'm just really honored that I got the chance to be able to show off my skills.

HS: *What did you do on* Skin *that you've never done before?*
SD: In the gangbang scene I did a little bit of anal, which I had never done before. I wasn't even sure if I would be able to do it, but I figured I'd try. [Laughs]

HS: *Personally speaking, how does it make you feel when you're the center of attention?*
SD: It makes me feel very special. I crave the attention. That's why I like gangbangs because I get all the attention to myself. It's a little overwhelming, but I've always had a "go with the flow" personality. I feel like I shouldn't overthink anything. I just let everything happen and hope everything works out, which it usually does. [Laughs]

HS: *Have you ever had a threesome or an orgy in your personal life?*
SD: I have had orgies and threesomes in my personal life, but I'd never been gangbanged before. I've always wanted to try it.

HS: *Would you do a lesbian gangbang?*
SD: A lesbian gangbang? No, I've never even thought about it, but now I want to. [Laughs]

HS: *Who would you include in that filthy get-together?*
SD: I'd want my girlfriend, obviously, Asphyxia Noir. Probably Lily Carter, Brooklyn Lee, Danni Daniels, Veruca James, and some people I've never been with before like Remy LaCroix and Reilly Reid. The more the merrier. You can never have too much vagina.

HS: *Most of the girls you mentioned have similar bodies as you. Do you like petite girls in general?*
SD: I do like little, cute, petite girls because I like when they look young. [Laughs] I do have a little bit of a Lolita fetish—obviously, not in real life. That's a little creepy. I like Japanese girls. [Laughs]

HS: *Do you enjoy performing in Cougar 'N' Kitten films?*
SD: Oh, yes, for sure. I like keeping my options very wide [open], otherwise things just get boring if you're doing the same thing over and over again. But it is different having sex with older women because I feel like I can learn something from them. I feel like I'm really being taken care of when you're the younger one in that situation.

The best thing [about porn] is that I basically get to play all day and have orgasms, which is fucking awesome.

HS: *Do you consider yourself a porn star?*
SD: For sure! That's how I feel most of the time, so I definitely consider myself a porn star.

HS: *What's the best and worst thing about being a porn star?*
SD: The best thing [about porn] is that I basically get to play all day and have orgasms, which is fucking awesome. The worse thing is, people have this [negative] idea of porn, which isn't always true. That's kind of annoying. People's ignorance about it is what annoys me, but everything else about it I love. It's really fun. I get to dress up and be different characters everyday. I love my job.

HS: *What would you say is your best and worst physical feature?*
SD: Well, I think my boobs could be a little bigger. I don't want a boob job, I want to stress that. But I wish my boobs were bigger, but people like my little boobs, so, whatever. You can't be perfect. If you

33126

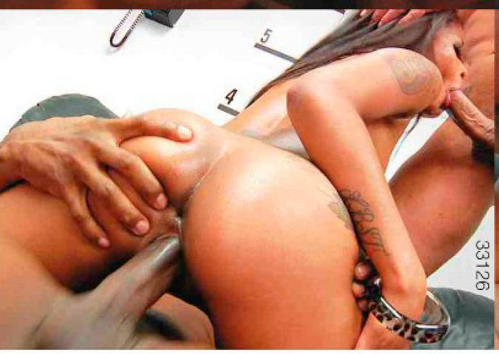
33127



could be perfect the world would be imaginary. My eyes are my best [feature].

HS: *Are you a more dominant or submissive person?*
SD: I feel like being submissive comes more naturally to me. I've been diving into the walls of being a dom[inant]. I've been learning. I would say I'm more submissive at the moment, but things could change. I always thought I could never dom, ever, but now I'm really enjoying it. You never know.

HS: *Do you masturbate often and when you do, what do you like to think about?*
SD: I do masturbate pretty often. Not a lot because I feel I am satisfied so much in my personal and on-camera life that I don't feel the need as much as I used to. I'm the world's most boring masturbator, to be honest. I'm really lazy. I get my Hitachi, put on a porno and then in a few minutes I'm shaking, then I'm bored. [Laughs] Unless somebody is telling me what to do while masturbating, then that's different.

HS: *What kind of porn do you like to watch?*
SD: Well these days because I'm so desensitized to porn it would have to be pretty weird. Like something I might not necessarily do myself. Like something shocking since it's getting harder to do because I've done so much shocking porn. It's getting more and more extreme [Laughs] like [a] 200-guy gangbang. [Laughs]

HS: *Can you tell me about one of the hottest sex scenes you've ever been involved in?*
SD: That's hard because there's so many. I did a scene with Veruca James that was pretty amazing. The scene I did with Nacho Vidal in *Nacho Vidal's Sexual Messiah* that was fucking amazing. That was actually nominated for "Best Anal Scene". That was definitely one of the craziest ones. [Laughs]

HS: *He's one of the most experienced cocksman in the business. Did he (unintentionally) hurt you because he really likes to slam the girls hard?*
SD: For me, because my ass is so tight, anal is a little painful to begin with. But he's one of the few men who actually managed to make me gape, which is really hard to do. It was so fun though.

HS: *Have you ever had a one-night stand?*
SD: I've had plenty of those. I don't actively try to have them, but I have had them.

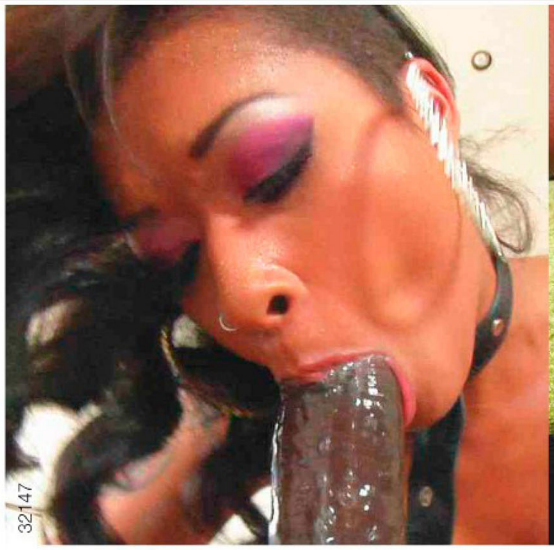
HS: *Do they still happen today?*
SD: Not really that often, [but] I'm not going to say I'm never going to have one again. Since I've started doing porn I've become much more picky about who I want to do off-camera. I can get fucked well and get paid for it, so why would I want to have a one-night stand when there is no guarantee that I'm going to get fucked well. That's the thing with one-night stands that piss me off. You never really know what you're going to get. [Laughs]

HS: *Would you say that you're a size queen?*
SD: Definitely not. You have to remember I'm very petite. I like a big dick, but there is a limit to what's pleasurable to me because I am very petite. I like cocks with girth, but if it's too thick it's physically impossible for it to fit. [Laughs]

HS: *So, does size matter to you?*
SD: I prefer medium. Size isn't everything. As long as it isn't a micro-penis, as long as I can feel it, [Laughs] like six inches is probably as small as I would want to go. But size isn't everything. I have had really good sex with smaller guys. It's about how you're fucking, that's all that it boils down to; it's how you're fucking a girl. As long as you give it to her with enthusiasm, it really just depends.

HS: *When you use a strap-on during lesbian scenes, do you take into account the size of the dildo?*
SD: When it comes to strap-on fucking, it ultimately isn't about the size. It's about what kind of dildo it is because some dildos are harder than others. It can be a little more challenging because there's no give. A lot of girls don't like glass toys as much because there is no give at all. A real penis is not rock solid. It squishes a little. So if the dildo in question is a hard dildo or hard rubber, you can't fuck as hard because of the material. It really depends.

I'm attracted to the female form, but at the same time I could never give up cock. Nothing beats getting fucked by a real dick.



HS: *Are you a true bisexual?*
SD: I actually do have a girlfriend and a boyfriend, so I definitely consider myself a true bisexual. I've loved women for as long as I could remember. I'm attracted to the female form, but at the same time I could never give up cock. Nothing beats getting fucked by a real dick. I could never choose between the two. [Laughs] Even if I were just going to be doing guys, I would be looking at girls at [the very] least. I've always liked girls. My first crush was Jessica Rabbit. I wanted her body when I grew up. The female form is so beautiful, how can you not love it. If I wasn't bisexual and I wasn't having sex with girls, I'd still be looking at how beautiful girls are.

HS: *While growing up was your goal to be a sex symbol?*
SD: No. Honestly, in high school I was so shy. I never would have thought in a million years that I'd be a porn star. Even when I was a fetish model doing just fetish modeling, I always said that I didn't want to have sex for a living because I love sex so much, [and] if I made it my job I would get bored with it. I did not want to get bored with sex because I love sex. It wasn't until I decided, "I'll try it. If I don't like it, I'll never have to do it again." I wanted to experience it; try everything once. After I tried it, I'm really glad I kept on doing it. I feel like I've experienced so much in regard to sex that I never even would have thought I would, if it wasn't for my job. I would have never thought that I would have two girls do me with a strap-on. I would have never thought to do that.

HS: *Do you credit doing porn and fetish modeling for opening the doors for you*

THE FUCK FACTS

Birthday: February 18, 1987
Birthplace: Ventura, CA
Height: 5'2"
Weight: 110 lbs.
Measurements: 32B-25-35
Movies: *Black Anal Addiction* (Evil Angel), *Skin* (Elegant Angel), *Slut Puppies 5* (Jules Jordan), *Skin Diamond No Limits* (Zero Tolerance), *Revenge Of the Petites* (AMK Empire)

I can get fucked well and get paid for it, so why would I want to have a one-night stand when there is no guarantee that I'm going to get fucked well. That's the thing with one-night stands that piss me off.

sexually?
SD: For sure! Absolutely.

HS: *What are a few of your favorite sex acts?*
SD: I love sucking cock and eating pussy. I love making someone feel good.

HS: *What's one sex toy you can't live without?*
SD: My Hitachi.

HS: *What's one superpower you wish you could have?*
SD: I wish I had the power to control time. I think it would be really awesome to sleep late every single morning. I'd just hit my alarm clock, make time stop then sleep for as long as I wanted. [Laughs] I love sleeping and I hate getting up in the morning.

HS: *Name a male and female celebrity you would like to have sex with?*
SD: I would love to know how Johnny Depp fucks. I feel he would be really good at it.

He's got that kind of quirkiness vibe. Which girls do I like? There are so many that come to mind. Angelina Jolie would probably be pretty wild in bed, I think. I'd also really like to do Rihanna because she's got my haircut. I feel like she's trying to tell me something.

HS: *Which of your films are you most proud of?*
SD: I'm most proud of *Skin* from Elegant Angel because I got to come up with ideas for outfits and stuff. I got to help with that, so that was fun. Also my movie I did with my girlfriend who's also in the industry, Asphyxia Noir. It's a Vivid movie called *The 3-Way.* It was a really fun movie to make and it was our first big starring roles.

HS: *Do you have any other big films coming out?*
SD: I just finished shooting *Avengers VS X-Men XXX.* It's the second time I've played Storm, but the first movie still hasn't come out yet. I think they're waiting for the mainstream X-Men movie to come out. Vivid, especially with their Superhero parodies, they like to release them around the same time. I don't know when it's coming out, but that's definitely one to look out for, for all the comic book nerds. This isn't porn related, but in the upcoming Daredevil comics, End Of Days, in the third issue the artist David Mack used me as a reference to draw the character Echo. So I will be in a Marvel comic book. All the images you see of Echo are drawn from photographs of me that he simply took specifically for the Daredevil comics. He's also a friend of mine, so that's pretty cool.

HS: *Anything you'd like to say in closing to the* HIGH SOCIETY *readers?*
SD: Thank you for launching me and I hope to keep making you cum again and again and again.

Stuck under a desk at work all day...such a waste...

My legs crave your attention!

(1-888-934-5347)

Her itty-bitty yellow bikini made me feel like a bull on the loose

doin' it in the dark

The red hue of the dim light bulb made Bonnie, my buddy Jim's sister's, soft, round ass glow in the dark. The pink lips of her wet and ready pussy peeked out from the wispy bush between her legs. It was an easy target for my stiff cock. The tiny darkroom did not allow us enough space to lie down. But I had to have her! For days she had teased and tantalized me with her ripe young body.

My wife seemed oblivious to what was going on: I was out of control with desire for that girl. No matter what the risk might be, I had to feel my prick up inside of Bonnie's hot pussy. Bonnie is a commercial photographer. She is what you would call a free spirit. She lives on the beach in south Florida, with only two cats and an occasional boyfriend for company.

She invited my wife and I to spend our vacation this year at her place, lounging on the beach. It was an offer too good to pass up: three weeks on the beach in Florida and rent-free.

When I married Janet, almost ten years ago, Bonnie was still in grammar school. I had not seen her in years, so I was shocked when she greeted us at the door.

She had on the tiniest yellow bikini that I have ever seen. It barely covered the nipples of her ample boobs and the bottom was only a tiny triangle of cloth. She must have to shave her snatch regularly to be able to wear it. She is a very friendly young lady and she gave both Janet and me a big hug.

I had to have her. For days she had teased and tantalized me with her body and lots of kisses. She pressed her tiny yellow triangle right into my rising cock as she put her arms around me. Janet seemed not to mind. Bonnie's smell was delicious. And her warm, young body had my head spinning. I sat down in the first chair I saw. I had to sit down, before I fell down.

Bonnie develops her photos in her house, so most of the time she was present while Janet and I were there. She never wore more than a bathing suit. Every time she bounced into light, I had to fight to keep my tongue from hanging out. She flirted like crazy and seemed to love getting me excited.

I had a hard-on most of the time. I fucked my wife every night. She loved it. She really believed that it was just the relaxed feeling of the vacation that had my passions higher than they had been in years. I dared not tell her that her sister had me ready to come in my pants day and night. Janet still thought of Bonnie as a kid. Believe me, she is no kid.

Bonnie has her own darkroom in a tiny little space not much bigger than a walk-in closet. She spends a lot of time there. I have a 35mm camera that collects dust on the shelf of my closet at home most of

the year, but since I had it with me in Florida, I took a few rolls and asked Bonnie to develop them for me.

She said that developing is easy and I could do it myself. She would show me how. One afternoon, while Janet sunned herself on the beach, Bonnie and I headed for the darkroom. As she fumbled around in the dim light, our bodies brushed frequently in that tiny room.

Soon I had an aching hard-on. My only hope was that she wouldn't notice. My cock pushed the front of my shorts out at least three inches in front of me. When Bonnie bent over to get a jug of chemicals from a bottom shelf, for a split second her almost bare ass touched my throbbing cock. The heat from her ripe young ass singed my tormented prick. I almost exploded!

Bonnie had processed my negatives the night before, so all we had to do was to make the prints. She fed a roll of negatives into her enlarger and turned it on. A negative version of the first picture I'd taken appeared on the baseboard.

It was too dark for her to tell, but I was blushing. I had completely forgotten about the picture. I had taken it that first day. It was a close-up of Bonnie in that yellow bikini! She was leaning forward to put a tray of drinks on the table. At least half of the picture was filled with her boobs.

Even the nipples could be seen, if you looked closely. It was a shot no man with a camera could resist. But I had never intended for her to see it. "You like my tits?" she asked softly, her lips almost touching mine in the cramped room. I nodded. What else could I do?

"Is that why this thing stays so big all the time?" she continued as her hand gently stroked my eager rod. It jumped at the touch of her hot hand, even through the fabric of my shorts.

"I can't help it," I declared, finding it hard to stand on my suddenly wobbly legs. She kept her hand on my prick as we stood there. Her tiny fingers were wrapped around the shaft as she began a slow up-and-down motion.

"You wanna see the real thing?" she asked as her hand pulled her flimsy bikini down over her breasts. Her tender pink nipples glowed under the dim red light. The sight was breath-taking. I leaned forward and kissed her tits gently. I felt the nipples stiffen under my lips. My prick jumped in her busy hand as I sucked on her breasts.

I couldn't believe this was happening. My wife was at the beach and I was playing with this chick's tits. Our only safeguard was the red warning light outside the darkroom. It had a sign under it that read: "Do Not Open This Door When the Light Is On—Exposed Film."

It wasn't much security. Janet never was known for obeying rules. It was quite possible for her to walk in on us at any minute. But still, I couldn't stop. Bonnie was breathing heavily and jerking me off faster and faster as I sucked on the tasty nipple.

A woman had not responded to me like that since Janet and I were dating. It made me feel young again. I was a bull, hot and ready–and pow-

She was leaning forward to put a tray of drinks on the table. At least half of the picture was filled with her boobs. Even the nipples could be seen, if you looked closely.

erful. Before she made me come in my pants, Bonnie stepped back and removed her hand from my cock. I stood there like a dummy, waiting for her next move.

"I want a picture of you now," she teased as her hands reached out to pull down my shorts.

"You mean ... my cock?" I stammered, unable to believe what I was hearing. She didn't answer but pulled my prick out into the open and quickly put a piece of paper under the enlarger. Then she placed my prick directly on top and turned on the light.

For a few seconds I was standing there with my hardon swinging in midair while she developed the picture. Then she held it up for my inspection. It was a perfect reverse image of my dick, right down to the swollen head.

"There," she said as she smiled lewdly. "I wanted to capture this moment."

"No danger of it going down," I promised. "At least not with you around."

"Oh, yeah?" she answered as she knelt in front of me. She put her lips over my swollen cockhead and flicked her tongue against my pee hole. "I can make the swelling go down," she said. Then she gulped my cock down her throat.

Her head bobbed up and down repeatedly as I pumped back with wild thrusts. A few seconds later, I bit my lip to keep from shouting as I felt the cum spurt from my swollen balls and splash the back of her throat.

"Oh!" Bonnie gasped. "Baby wants some more!" She stood up and pulled off the bottoms of her bikini. She then leaned over the table and wiggled her tempting ass at me. "Make me come! Fuck me!" she begged.

The words and her wiggling hot ass had my head spinning. In less than half a step my prick made contact with the opening to her slippery cunt. I put my hands around her slim waist and pulled her back onto my stiff pole.

Inch by inch I felt the shivering sensation of her tight warm pussy engulfing my twitching prick. She had two orgasms before I exploded. Each time I stopped pumping and stood perfectly still until the beautiful young girl quit shivering. Then I'd go in a little deeper.

When I finally hit bottom, I went wild. Bonnie began to whimper as her ass rotated in tiny ball-busting circles, draining the cum from me for the second time in less than an hour. She came at least twice while I poured my hot milk into her hot body.

Not to be outdone, she got down on her knees and took me into her sucking mouth. She didn't miss a lick. She lapped up every drop of my hot load. She sucked until I stopped coming and then sucked some more. When she finally pulled her mouth away, my dick was still as hard as ever. I felt like a teenager. I couldn't remember the last time I had shot my load and stayed hard.

We finally finished developing my pictures and Janet was delighted with the shots. But I didn't let her see the photo of Bonnie's boobs. Janet is glad that Jim's sister and I have a common interest–in photography. If she only knew!

Then she gulped my cock down her throat. Her head bobbed up and down repeatedly as I pumped back with wild thrusts. A few seconds later, I bit my lip to keep...
